MUR 5666

RETURN RECEIPT REQUESTED

July 3<sup>rd</sup>, 2006

Federal Election Commission

Washington, DC 20463

Reference: MUR 5666  
Respondent: Cynthia S. Bragg

To Whom It May Concern:

I have never knowingly and I have never willfully violated 2 U.S.C. & 441f, a provision of the Federal Election Campaign Act of 1971, as amended ("the Act").

To the best of my knowledge, all documents, records, and materials relating to MZM and Mr. Mitchell Wade were turned over to the Federal Bureau of Investigation (FBI) and the Internal Revenue Service (IRS) by my husband, Frank B. Bragg, Jr.

My husband, Frank B. Bragg, Jr., began his employment with MZM on September 16<sup>th</sup>, 2002 and he resigned on June 24<sup>th</sup>, 2005.

During my husband's employment with MZM, my husband and I made several monetary contributions to different MZM sponsored charity funds, foundations, MZM INC. PAC, and candidates, these included: "Friends of Katherine Harris" and "Goode for Congress" (a list is at enclosure A).

All of the monetary contributions that I made for "Friends of Katherine Harris" and "Goode for Congress" were given to my husband for delivery to either Mr. Joe Cornelison (MZM General Counsel and MZM INC. PAC Treasurer) or Ms. Jeanne O'Neil (MZM INC. PAC Treasurer). My husband told me (and I believed him) that all contributions that I made were delivered to Mr. Joe Cornelison or Ms. Jeanne O'Neil.

My husband advised me on all contributions that I made and he advised me that all were legal, ethical, and moral to contribute to support Representatives Goode and Harris.

I have never been threatened and I have never been coerced in any way regarding contributions to any political candidate or to the MZM INC. PAC. In all circumstances, my husband asked me to give and support either the MZM INC. PAC or to the campaigns of Representatives. To the best of my knowledge during my husband's entire employment with MZM, I was asked by my husband to contribute to only two Representatives which were: Representative Katherine Harris in 2004 and Representative Virgil Goode in 2005.

During my husband's employment with MZM, no one ever demanded that I contribute or threatened my husband's employment if he did not contribute. My husband and I only supported candidates that were pro-business, pro-life, and pro-military.

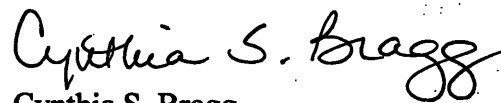

Regarding straw contributions referred to on page 5 of the "Factual and Legal Analysis," I have never knowingly and I have never willfully made a contribution or authorized the use of my name to give to Representative Goode during 2003. If a contribution was given to Representative Goode in 2003 with my name, it was done without my knowledge and without my approval. The only contribution that I made and I have knowledge of and approved for "Goode for Congress" was in 2005. Contributions that I made, approved, authorized, and supported are listed at enclosure A.

I have never knowingly and I have never willfully violated 2 U.S.C. & 441f by serving as a conduit for contributions from Mr. Mitchell Wade to Representatives Virgil Goode and Katherine Harris.

I have never knowingly and I have never willfully violated 2 U.S.C. & 441f by permitting my name to be used for contributions made by MZM and Mr. Mitchell Wade.

In conclusion, my husband, Frank B. Bragg, Jr., is a man of the highest integrity and moral character. I completely trusted his advice and recommendations regarding contributions. I firmly believe that he never knowingly and he never willfully violated any provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). I firmly believe that all contributions that we made were legal, ethical, and moral, and in total compliance with the Federal Election Campaign Act of 1971, as amended ("the Act").

Respectfully Submitted,
